

Individuals and institutions have been spontaneously supporting the cause of mental health restoration as pursued by SAA. Each one reaches out the needy by voluntarily contributing one's time, talent and other resources. The steady and sustained growth in our services over the past decade has been possible primarily because of such varied support by philanthropists like you.

You are welcome to continue lending your helping hand in any of the following convenient ways:

Volunteer your time and expertise in areas needed by SAA at your convenience. [Click here](#) to check our contact details to enable you leave your contact details .Our representative will get back to you.

Remit donation by DD or cheque drawn in favour of Schizophrenia Awareness Association, payable at Pune. [Click here](#) to find our address for mailing/couriering your remittance.

You will have genuine reason to be more than happy watching the impact you would make in the lives of affected families which otherwise are one of the most misunderstood and discriminated lot. Doing a good turn, you will agree, simply cannot wait. So, please act now and start earning gratitude of the beneficiaries.
